7. ALTERATION IN THE LAYOUT, PLANS AND DESIGN

- 7.1. The Promoter has prior to the execution of this Agreement as well as at the time of execution of these presents disclosed to the Allottee the present Proposed Land Use Map relating to the Larger Land.
- 7.2. The Promoter shall make all efforts that the Plan to the extent of Project Land contemplated under this Agreement is not altered unless absolutely required in the interest of the Project.

The Promoter has, however, for the sake of ease in construction and better administration, taken steps to develop the Larger Land in the form of smaller Projects, the Project being one of them. Whilst in strict terms the FSI/development potential of the Project would be lesser than what has been sanctioned and is reflected on the sanctioned plans related to the Sector R-1, the Promoter has been permitted by the sanctioning Bodies and Authorities/by enactment of Law to construct a higher potential on the Project Land since the development potential of the Larger Land is treated under the concept of global FSI. In light of the aforesaid factual position and inherent right of the Promoter, the Promoter is at liberty to alter the development potential that the Promoter is intending to exploit on the Project Land. The Promoter is thus entitled to alter the plans relating to the Project to the extent of altering the development potential/FSI that the Promoter shall exploit during construction of Sector R-1 without requiring to obtain the consent of the Allottee in respect thereof. In furtherance to the aforesaid, considering that the concept of global FSI is applicable to the Larger Land, any increase in FSI relating to the Project Land shall belong to the Promoter, if permitted under law, and the Promoter shall be entitled to exploit it whilst constructing the other Sectors on the Larger Land. This right of the Promoter shall prevail and not be disputed by the Allottee till such time the entire Township is constructed and completed entirely in all respects by the Promoter.
- 7.5. In continuation of the aforesaid disclosure, the Promoter has further informed the Allottee and the Allottee hereby agrees and acknowledges that the right to amend any plan in respect of the Larger Land and/or Sector R-1 Land shall lie solely with the Promoter and the Allottee shall have no right of any nature whatsoever in the remaining development potential of the said Larger Land and/or Sector R-1 Land.
- 7.6. In pursuance of the Notification dated 20th November 2018, bearing No. TPS-1818/1349/CR-229/18/20(4)/UD-13 and Notification dated 8th March 2019, bearing No. TPS-1816/CR-368/16/Part-I/DP-ITP/UD-13 issued by Urban Development Department, an application has been made by the Promoter for migrating into ITP policy and the said application has been granted by PMRDA vide its Order bearing

- 7.7. Further, in light of the aforesaid, the entire development potential and any future increases or increments thereto relating to the Larger Land including the Project Land shall vest in the Promoter alone and the Promoter shall be entitled to use, utilize, consume and exploit such FSI on the said Larger Land whilst undertaking its future Projects.
- 7.8. The Promoter declares that the Promoter shall utilize the prevailing FSI permissible in respect of the Larger Land and the future FSI which may become available in future in case of any modification to the Development Control Regulations.
- 7.9. If due to any change in the FSI rules, if additional FSI becomes available by whatever name called then in such event the Promoter shall be entitled to use, utilize, consume and exploit such FSI on the Project Land or any part of the Larger Land by constructing additional structures or additional floors.
- 7.10. If due to any change in the applicable Laws or by introduction of any policy by the Government of Maharashtra or any other concerned Authorities any development benefit including FSI in any form is available in respect of the Project Land, as recipient plot, then in such an event, the Promoter shall be entitled to avail such benefits/including FSI in any form by utilizing the same on the Project Land or any part of the Larger Land.
- 7.11. The Promoter shall have the absolute, irrevocable and unconditional right and entitlement to and it may in its sole discretion effect and/or cause to be effected, any extra and additional construction whatsoever on and in respect of the Project Land including, but not limited to, constructing additional floor/s or extensions on and/or other extension/s to all or any of the buildings on the Project Land including the said Building and/or construct additional and/or other building/s and/or other structures on the Project Land by utilizing the FSI in any form of the Project Land and/or the contiguous, adjacent or adjoining lands or properties at any time, including after completion of the said Building whenever the same is permitted to be constructed by PMRDA and other concerned Authorities.
- 7.12. The Allottee hereby expressly waives any right to raise any objection for the amendment of the Plans and/or construction of the additional floors or wings, to use and consume the balance FSI available/generated in any form in respect of the Project Land. The Allottee further agrees that he/she/they shall not be entitled to claim any rebate in the consideration or any other advantage from the Promoter on the ground of the Promoter making additional construction or on any other ground whatsoever.
